Building Officials Association
Group code: SC11BO2

***All callers will be asked for
this code but can also book
by saying ****Building
Officials****

**You are required to make
your reservations.**

**BUILDING SAFETY
CONFERENCE 2022!**

The 2022 Building Safety
Conference of NJ will be held
this year at the Hard Rock Hotel
and Casino from **Wednesday**

**May 4th through Friday May
6th.**

We are excited to kick off our
return to in person continuing
education training during this
event. We know the past 2
years have been difficult, but
the code community has worked
tirelessly to ensure that New
Jersey was able to continue with
the construction projects that
are the backbone of our State.
This will be an excellent
opportunity to not only catch up
on any Continuing Education
that you have missed during the
Pandemic but it is also a great
time to get out and reconnect
with others in the industry and
see how they managed to deal
with the many challenges that
presented themselves during
these unique times.

We will start the
39th Conference with our annual
Crackerbarrel event, with
approximately 40 different
round tables conducted on
various areas of importance to
the code enforcement
community. We are finalizing
the list of topics and presenters
and will send out a notice once
completed- please keep an eye
on your inbox.

The kickoff for the Conference
will also include our very
successful job fair - see
representatives of our state code
enforcement associations and

other prospective employers seeking professionals in code enforcement!

Our educational programs will highlight important aspects of the overall code enforcement process and we are happy to be partnering with Rutgers to offer many exciting training opportunities.

Please see all the details by clicking the link below to see our brochure and be sure to reserve your room at the conference rate of \$99.00 per night. Internet reservations are preferred- there is a link inside the brochure you can use to reserve.

https://www.nj.gov/dca/divisions/codes/publications/pdf_licensing/BS_Conference_Brochure_2022.pdf

Please note: Registration for this conference is by regular mail only and the cutoff date for Vouchers is April 4, 2022. If you have any questions regarding the Conference, please do not hesitate to email education.unit@dca.nj.gov or call (609) 984-7820. Thank you and we hope to see you there!

Legal Fund

The following is a brief explanation of the Rules and Regulations of the Legal Fund Committee.

The Committee consists of (3) members each serving a three (3) year term. The purpose of the Legal Fund is to provide working code officials who are members of our association for at least one full year, assistance in defraying any legal expenses incurred in the defense of his/her official position. **IT IS NOT INTENDED TO PAY ALL LEGAL COSTS.** The request for assistance must be in writing to a member of the committee who will meet to evaluate the potential impact that a decision may have on code enforcement. Any denial by the committee may be appealed to the Executive Board. If assistance is granted, a one hour meeting is scheduled with our associations attorney. The cost is paid from our attorney's retainer fee. If it is decided to proceed, the committee may pay for costs up to three thousand dollars (\$3000.00). Any additional costs will

require a majority vote by both the committee and Executive Board. For a full copy of the Legal Fund Guide Lines or any questions, contact any member of the committee or go to the web site.

Pat Naticchione 609-442-4502
Sal DeSimone 609-780-8010
Bob LaCosta 908-939-8448

The only State Association Recognized by the Department of Community Affairs

The New Jersey Building Officials Association was established in 1929. We are a not-for-profit organization recognized as a chapter of the International Code Council, and are devoted to protecting the health, safety, and welfare of the public, by promoting professionalism, education, and ethics. NJBOA's Active Membership is comprised of licensed Code Officials and Inspectors of all disciplines, as well as Technical Assistants. We have Associate, Subscribing, and Honorary memberships available to others engaged in the building industry, including housing, planning, zoning, and manufacturers' representatives. As always, we welcome people from many career backgrounds

to consider joining our organization, or come to any meeting as our guest. As we approach our 90th Anniversary, **NJBOA** is proud to be the **only** statewide association, inclusive of Code Officials and members of diverse backgrounds, that is recognized by the Department of Community Affairs. **NJBOA** will continue to actively support and participate in the Building Safety Conference of New Jersey, as we have done for 35 years. **NJBOA** is an organization that remains strong in membership, and have welcomed an increase of new applicants this year. **NJBOA** is a tried and true brotherhood whose success is written in our legacy. The **NJBOA** Executive Board would like thank our members, Past Presidents, and communities, for their unwavering support, which has helped pave the way to its success thus far. **NJBOA** will continue to forge ahead with strong leadership and the proven confidence of its members

The following is a list of Municipalities that have not replied back to the Roster Questionnaire you only have till June 1st then I will use the list from the DCA

Aberdeen, Township of
Allamuchy, Township of
