Construction Officials

It is that time once again for our new Roster.

This will be our 96th Anniversary Edition.

I have enclosed the “NJBOA Roster Book Questionnaire” form. Please complete this form for your municipality and return it to me.

Please include the names of all inspectors that work in your municipality on a separate sheet and list only the inspectors that work in your municipality. If an inspector works in your town and another, please do not list the other towns. See form on reverse side. If your department covers multiple towns, please fill out one form for each town.

Please type or print clearly.

All forms must be returned by June 1st, 2024, to be included in the new Roster.

Please return completed questionnaire to:
